

To the Sauk Village Community School District 168

Good Morning,

The staff and students at Rickover Jr. High School have begun a new Parking Lot Patrol in the morning to help direct and facilitate parents transporting their children to school.

A few points that we need to emphasize;

- 1) There will be several students outside in the morning from 8:05 A.M.-8:25 A.M. directing traffic. These students have been trained and understand what their roles are. If you have a question for any of the students, please come inside and report it to the main office.
- 2) You will now only be able to use one lane for dropping off your children. The rest of the parking lot will be sanctioned off and will not be available.

Let's keep our schools safe so we can concentrate on what's important to us.

Our children's education.

Thank You for Your Continued Cooperation
