Dear Parents/Guardians:

In cooperation with the Cook County Department of Public Health ("CCDPH"), Community Consolidated Schools District 168 is offering the H1N1 (swine flu) vaccine to all District students.

If you would like your student to receive the H1N1 vaccine, please complete and return the enclosed questionnaire and consent form on or before Monday, November 2, 2009.

Vaccines are scheduled to be administered at all District schools on November 6, 2009 to each student with a completed questionnaire and consent form. Please note, however, that the vaccination date may change due to the availability of the H1N1 vaccine. The CCDPH will advise the District of any scheduling changes, and we shall in turn advise you accordingly.

If you have any questions you may contact the Cook County Department of Public Health flu hotline at 708-492-2828 or visit www.cookcountypublichealth.org.

Sincerely,
