

CCSD 168 PTA

Dear Parents and Friends,

Our children are heading back to school again and there is a greater need more than ever before for a close relationship between parents and teachers. PTA is an organization made up of parents, teachers, and other community members with the sole purpose of helping children and youth. Parents need to increase their involvement with their children and show their loyalty and interest in the school system through PTA. We expect so much of children in their school achievements and school conduct. The children need your help through PTA projects and programs.

Join and come to PTA meetings this school year - your child will be pleased to know you are taking an active part in his/her education and in him/her.

Please send your dues in today!! Just \$6.00 for each parent or \$10.00 for a family.

Sincerely,
Susan Fox, PTA President
