

Community Consolidated School District 168

Family Math Night!!

Join us for Family Math Night and as we make math fun!!! Please bring your entire family out as we learn mathematics through games. You will be surprised at the math you know and/or can learn through the reinforcement through games. The teachers and students have put together a wonderful night that we would love to share with you!!! Don't miss this night of fun filled learning!! The homeroom with the greatest attendance will receive a prize!

Concessions will be sold.

Where: Strassburg Elementary School

When: Thursday, April 20, 2017

Time: 5:30 p.m. – 7:30 p.m.

Please enter through the back-parking lot

We look forward to seeing you!!
